

Renee Huie
Spiritual Director & Founder,
Soul Care Seattle @ The Layne
renee@soulcareseattle.com

My heart's desire has forever been to accompany others in their spiritual journey. My own journey has fueled a deep knowing of God's unconditional love and presence that I long to share with others, especially the marginalized and the recovery community.

Prior to founding this ministry, I served as a burn nurse at Harborview Medical Ctr, a mom, an HR manager, and in church leadership. I am passionate about developing Soul Care Seattle, reading, gardening, running, and all things outdoors.
